Mr. and Mrs. Al Kedz
Thor Diesel Club
5715 US Highway 557
Crestview, FL 32536

Dear Mr. and Mrs. Kedz,

Thank you for the Thor Diesel Club's recent gift! The club's support of the hospice philosophy helps us to continue our mission: To improve the quality of living.

On any given day, Center for Hospice Care serves more than 400 patients and over 2,200 bereavement clients living in St. Joseph, Marshall, Elkhart, Kosciusko, Fulton, Starke, LaGrange and LaPorte counties, *regardless of their ability to pay*. Your gift enables our Hospice Team, which includes physicians, nurses, social workers, spiritual care counselors, home health aides, and trained community volunteers, to provide skilled compassionate care for our patients and families.

On 10/6/2015 we received a \$257.50 gift from the club. Please note that no goods or services were given in consideration for this gift and you should keep this letter as a record of the club's charitable contribution.

On behalf of our patients and their families, I thank you for the club's generous support. We simply could not do what we do without you.

Sincerely,

Christopher J. Taelman
Chief Development Officer

Thanks for dinner and providing me with the opportunity to share information with the club.
