Dear Fred,

Thank you for supporting Thor Diesel Club 2016 with your generous gift of \$1,421.00. Your commitment to Homes for Our Troops will aid us in our mission to build specially adapted homes for our nation's most severely injured Veterans. Please consult a tax preparer to determine the deductibility of your donation for tax purposes.

The Department of Defense estimates that over 1,900 Service Members have returned from Iraq and Afghanistan with injuries so severe that they require a specially adapted home. At Homes for Our Troops, our goal is to provide a barrier free home to every Veteran who meets these criteria, and continue to assist them in rebuilding their lives long after the completion of their home. With your contribution, we are one step closer to completing our mission.

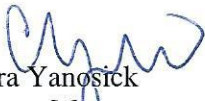

Since our founding, Homes for Our Troops has provided the life-changing gift of a mortgage free home to over 220 Veterans in 41 states. Empowered by the freedom and independence gained by living in their new specially adapted home, these Veterans are able to focus on their recovery, rebuild their lives, and return to their life's work of serving others.

With nearly 90 percent of donations going directly to support our Veterans since our founding in 2004, you can be assured your funds are being used as intended. We are proud to have received Charity Navigator's highest rating of 4 stars and an A rating from Charity Watch, which has included us on its list of Top-Rated Military & Veterans Charities.

I encourage you to visit our website, [www.hfotusa.org](http://www.hfotusa.org), often to learn more about our Veterans, their stories and how you can continue to support them. On behalf of Homes for Our Troops, our Veterans and their families, thank you.
