Rally Refund Policy

NOTICE OF REFUND POLICY:

Background: Campgrounds and caterers are requiring firm numbers earlier every year and require non-refundable down payments to hold the spaces and commitments for our rallies.

The following is the Thor Diesel Club (TDC) Rally cancellation policy and is effective immediately for all Diesel Club rallies.

TDC Rally Refund Policy:

- (A) Request for refunds of Rally-fees for any TDC Rally must be received fifteen (15) days prior to rally start date. Only the Rally "attendance fee" will be refunded in full except for a \$50.00 cancellation fee.
- (B) No refunds will be issued for request received 15 days, or less, to rally start date.
- (C) No refunds will be issued for Special Events scheduled prior to, or after a TDC Rally.

The Board reserves the right to review and determine reimbursement for any non-refundable cancellations (of less than 15 days), which are due to a bona fide emergency. A written request for emergency cancellation refund is required and should be sent to the Board Secretary.

A BONA FIDE EMERGENCY IS IDENTIFIED AS FOLLOWS:

- 1.) Death in immediate family.
- 2.) Medical sickness requiring hospitalization or inability to travel
- 3.) Mechanical breakdown of coach
- 4.) Natural disaster

Additional information may be requested to ascertain the extent of the emergency.
