

Greetings Earthlings!

The theme of the 2018 Thor Diesel Club International Rally in Goshen, Indiana is “Out Of This World”. The theme includes anything space related: Star Trek, Star Wars, UFO’s, aliens - the sky’s the limit! Start collecting your costumes and decorations so we can boldly go where no RV has gone before.

The 2018 rally fees remain the same as 2017:

TDC members: \$450 per coach with 2 people, \$350 per coach with 1 person,
\$150 per extra person

Non-members: \$500 per coach with 2 people, \$400 per coach with 1 person,
\$175 per extra person

Your rally fee includes:

5 nights of camping with full hook-ups

4 breakfasts plus boxed breakfast on Friday morning

4 dinners plus main course for pitch-in dinner on Sunday evening

Entertainment

Daily social hours with beer and wine

Seminars

Minor service by Thor

Our rally is growing and we hope to have even more coaches in 2018. We are working hard on a plan to speed up the food service and to adjourn meal times after only a few announcements. Sorry, but don’t look forward to after dinner prizes as we will be using those funds towards your welcome bag 😊

Please make sure that the contact information for ALL TDC members is up to date. We need e-mail addresses for both the pilot and the co-pilot for each coach. Check the current Thor Diesel Club directory to make sure your information is correct. Send any updates to membership.tdcrv@gmail.com.
