

Camp Freightliner classes are open to those who want to learn more about motorhomes built on Freightliner Custom Chassis.

Get to know your chassis. Camp Freightliner I is the popular two-day training session designed for first time RV owners. Take advantage of Freightliner's comprehensive and captivating two-day training session to learn about the benefits of driving a motorhome built on an FCCC chassis. This is not a hands-on workshop.

This class will be offered to 2018 Spring Rally – East registered attendees after the Rally on April 27 – 28, 2018 at the National Indoor RV facility in Lawrenceville, GA. You will need a code to register for the class on the fcccrv website which we will provide upon request after you register for the rally.
