Total		\$510

More Notes _____

DuraFlap has the size requirements for the Thor Palazzo. Other coach models will require you to take measurements and complete the template below.

When we receive your order, we will complete an invoice and send it via e-mail for you to pay online. We will bring the mud flap to the Rally, and deliver it.

We are happy to assist with the installation, but you will need to perform the job yourself.

To see the installation instructions and for help with the measuring, give us a call at (541) 245-9148, or email us at info@duraflap.com

Orders need to be in by September 13th to be brought with us to the rally.
