

**Camp Freightliner classes are open to those who want to learn more about motorhomes built on Freightliner Custom Chassis.**

**Get to know your chassis. Camp Freightliner I is the popular two-day training session designed for first time RV owners. Take advantage of Freightliner's comprehensive and captivating two-day training session to learn about the benefits of driving a motorhome built on an FCCC chassis. This is not a hands-on workshop.**

**This class will be offered all Thor Diesel Class A owners on October 8 – 9, 2018 at the Thor Campus in Wakarusa, IN. You must own a Thor Diesel Class A motorhome to attend and you will need the following code to register for the class at the Freightliner Custom Chassis website ([www.fcccrv.com](http://www.fcccrv.com)). The code is : IN1008.**
