Call the RV Park to make your site reservation. Tell them that you are with the Thor Diesel Club in order to be parked with the group. There is NO rally fee involved, just your campground site fee.

The special rate also applies if you want to come early or stay late (up to 2 nights).

Come Explore the Outer Banks of North Carolina. The area is loaded with history - Blackbeard, Wright Brothers Memorial, Jockey's Ridge, Cape Hatteras Lighthouse, Bodie Island Lighthouse, Currituck Lighthouse, Ocracoke Island & Lighthouse. You may even catch a glimpse of the wild ponies found in several locations in the Outer Banks.

Come enjoy the fair skies and gentle breezes of the Outer Banks.

The most awesome sunrises and sunsets can be found right from your campsite.

This year will include Kite flying, MahJongg, and our annual BEANBAG BASEBALL GAME.
