

Camp Freightliner classes are open to those who want to learn more about motorhomes built on Freightliner Custom Chassis.

Get to know your chassis. Camp Freightliner I is the popular two-day training session designed for first time RV owners. Take advantage of Freightliner's comprehensive and captivating two-day training session to learn about the benefits of driving a motorhome built on an FCCC chassis. This is not a hands-on workshop.

This class will be offered to 2019 TDC International Rally registered attendees after the Rally on October 11 & 12, 2019 at the Rally location in Goshen, IN. You will need a code to register for the class at www.fcccrv.com which we will provide upon request after you register for the rally.
