Dear Thor Diesel Club,

This is to inform you that the following gift(s) were made in honor of Thor Diesel Club:

Date	Donor
January 30, 2016	Capt. Fred & Albertina Barina

We at K9s For Warriors are so thankful for those who give gifts in honor or in memory of family or friends. Please know that K9s For Warriors is committed to our work of providing service canines to veterans suffering from post-traumatic stress, traumatic brain injury, and/or military sexual trauma. US Army Specialist Mathew Gregory is one such warrior who has gained so much from our program.

Mathew served 4 years as an Airborne Ranger with two tours to Afghanistan. He received several military honors for his service including the Army Commendation Medal, Army Achievement Medal, and Army Good Conduct Medal. Matthew was a phenomenal soldier, yet his transition back into civilian life was proving extremely difficult due to all the circumstances he faced while so honorably serving his country.

***"I didn't want to leave the house; I wasn't eating; I stopped interacting with my friends, because I was so depressed and demotivated." – Mathew Gregory.***

Mathew thankfully heard of K9s For Warriors and applied to our program. We provided him with his new battle buddy in life, Falcon, to assist with some of the effects of his invisible wounds of war.

***"Making the decision to come to K9s For Warriors has changed my life forever. Having my dog beside me all the time is a huge comfort knowing he has my back, and I have his." – Mathew Gregory***

Mathew is just one of the more than 200 graduates who have benefited from one of our amazing service dogs. We thank you for supporting us so we can continue to help more of our much-deserving veterans.

Sincere regards,
